Pursuant to section 3 para 4 COVID-19-CorpReg, granting a proxy to persons other than those listed above is not permitted.

In order to facilitate a smooth holding of the General Meeting, the shareholders are asked to limit the communication with their respective appointed special voting proxies to the instructions to make motions, on voting, or to raise objections. Questions to the Company can be raised by the shareholders themselves by means of electronic communication, i.e. via e-mail.

It is recommended to contact the appointed special voting proxy in time if shareholders intend to issue specific instructions on motions, voting or objections in the General Meeting on one or more items of the agenda.

In order to ensure a smooth processing, we kindly all shareholders to only use the **proxy form** (and the revocation form, where applicable) provided on the **Company's website** at **ams-osram.com/general-meeting**.

For the **identity check of shareholders**, we kindly ask all shareholders to indicate their respective e-mail address, which will be used to send instructions, motions or objections to the special voting proxy or to send questions and statements to the Company, in the appropriate field on the proxy form.

In your interest, **proxies** should be received by the Company **no later than 12.00 midnight Vienna time on June 21, 2022**, using one of the channels of communication listed below:

Proxies granted to the special voting proxies may be **e-mailed to the appointed special voting proxy at the address listed above**. This way of transmission will ensure direct access to the proxy for the appointed special voting proxy.

However, the following channels of communication and addresses are available for sending proxies as well:

**By mail or by courier:** **ams-OSRAM AG**  
c/o HV-Veranstaltungsservice GmbH  
A-8242 St. Lorenzen am Wechsel, Koepfel 60

**Via Telefax:** +43 (1) 8900 500 - 86

Banks may also transmit proxies **via SWIFT** pursuant to section 114 para 1 sentence 4 AktG:  
GIBAATWGGMS  
(Message Type MT598 and MT599;  
ISIN AT0000A18XM4 must be included in the text)

Personal delivery of the power of attorney on site is explicitly prohibited.

If shareholders **authorize a third person**, it has to be ensured via an **effective proxy chain (sub-proxy)** that one of the four special voting proxies gets ultimately authorized to exercise voting rights, the right to make motions, and the right to raise objections at the Annual General Meeting itself.

It is not possible to authorize a person other than one of the four special voting proxies to exercise these shareholder rights at the Annual General Meeting pursuant to section 3 para 4 COVID-19-CorpReg. However, it is **permitted to authorize other persons to exercise different shareholder rights**, particularly the **right to information and the right to speak**.

The above provisions regarding the granting of proxies also apply *mutatis mutandis* to the revocation of proxies. If the proxy is revoked **after 12.00 midnight Vienna time, on June 21, 2022**, we recommend e-mailing or faxing the revocation to the affected proxy holder, otherwise a timely receipt cannot be ensured.

### **Instructions to the special proxy holders**

The special voting proxies shall only exercise voting rights, the right to make motions and the right to raise objections in accordance with instructions. If there is no instruction regarding a proposed resolution, the proxy holder shall abstain from voting. The proxy holder shall also abstain if the instruction for a proposed resolution is ambiguous (e.g. simultaneously FOR and AGAINST the same proposed resolution).

The shareholders are asked to issue their instructions to their chosen special voting proxy via the applicable section of the proxy form intended for this purpose, which will be available on the Company's website, **ams-osram.com/general-meeting** as of **June 3, 2022**. A form for issuing instructions is available on the Company's website, **ams-osram.com/general-meeting**, along with the voting proxy.

We kindly ask for all instructions to be sent **by e-mail** to the above-mentioned address of the respective special voting proxy of your choice. This way of transmission will ensure direct access to the instructions for the appointed special voting proxy.

**Instructions may be issued together with the granting of the proxy or at a later date.** Instructions on exercising voting rights, the right to make motions, and the right to raise objections may be issued in advance or **during the Annual General Meeting until a particular time designated by the Chairman**. Shareholders will be able to modify instructions already issued or to issue new instructions until such point in time.

Due to the possibility of a large number of simultaneous contact attempts, the special voting proxies cannot guarantee their **availability by telephone during the Annual General Meeting**. Therefore, please note that **sending an e-mail** to the above mentioned e-mail address of your appointed special voting proxy is the **only mean of communication** that shall be used.

Every e-mail must clearly reflect the identity of the shareholder (name/company name, date of birth/Commercial Register number of the shareholder) and indicate the end of the declaration by

reproducing the shareholder's signature or otherwise, e.g., by giving the name/company name (section 13 para 2 AktG).

Please always indicate your deposit account number in all e-mails as well, to enable the appointed special voting proxy to confirm your identity and check it with the deposit certificate.

It should be noted that it **might be necessary to briefly interrupt the virtual General Meeting** to safely process the shareholder instructions to the special voting proxies received during the General Meeting.

### **The shareholders' right to information and right to speak**

Any shareholder shall be provided with information regarding company affairs upon such shareholders request at the Annual General Meeting, to the extent that this information is necessary to properly evaluate an agenda item.

The **right to information and the right to speak** may be exercised **exclusively via electronic communication by sending an e-mail** to the e-mail address **fragen.ams-osram@hauptversammlung.at** exclusively set up for this purpose, provided that the shareholders have submitted a deposit certificate in accordance with section 10a AktG in good time and have authorized a special voting proxy. Please use the **question form**, which will be available on the Company's website, **ams-osram.com/general-meeting**, as of **June 3, 2022**, and attach the completed and signed form to the e-mail as an attachment.

If you send your questions or statements **without using the question form**, the e-mail must reflect the **identity of the shareholder** (name/company name, date of birth/Commercial Register number of the shareholder) and indicate the end of the declaration by reproducing the **shareholder's signature** or otherwise, e.g., by giving the name/company name (section 13 para 2 AktG). In order to enable the Company to confirm the identity and correlation with the deposit certificate, we kindly ask you to include also your **deposit account number** in such e-mail.

If the right to information and/or the right to speak shall be exercised by a representative, proof of authorization must also be provided in text form. Please note that the **special voting proxies cannot be authorized to exercise the right to information and/or the right to speak**.

Shareholders are **asked to e-mail all questions in text form in advance** to the following address: **fragen.ams-osram@hauptversammlung.at** in due time so that they are received by the Company no later than **June 21, 2022**. This is to ensure a smooth and efficient General Meeting, and will allow for a

proper preparation and swift responses to the raised questions by the Management Board in the General Meeting, particularly for questions, which require a longer preparation time.

Shareholders can also send their questions and statements to the Company **electronically during the Annual General Meeting** but must only do so in text form by sending an e-mail directly to the following e-mail address: **fragen.ams-osram@hauptversammlung.at**. Please note that the **Chairman may set reasonable time limits during the General Meeting**.

In this respect, the Chairman may order and specifically state that the shareholders' written submissions, if their reading is requested, must not exceed a certain volume. If this limit is exceeded, a reduction in the length of the text may be made by the Chairman or by the member of the Management Board reading out the shareholder's request to speak at the Annual General Meeting, if such shareholder has not reduced the length of the text themselves.

Generally, it is the clear intention to read out and answer the statements and questions received from the shareholders in accordance with Section 118 of the Stock Corporation Act, while taking into account the limits set forth above.

### **Invitation**

In addition, please also refer to the provisions of the Invitation dated **May 25, 2022**, particularly the requirement for a timely transmission of the deposit certificate to exercise shareholder's rights at the virtual Annual General Meeting on **June 24, 2022**.
