

ams OSRAM confirms being in advanced discussions on the potential sale of certain businesses as part of its previously communicated deleveraging plan

Premstaetten, Austria, and Munich, Germany (12 January 2026) -- ams OSRAM confirms being in advanced discussions on the potential sale of certain businesses as part of its previously communicated deleveraging plan

Owing to market rumors, ams-OSRAM AG confirms that the company is in advanced discussions concerning the sale of certain business activities of ams-OSRAM AG while safeguarding the Premstaetten, Austria, site long-term. The envisaged transaction is part of the implementation of the company's accelerated deleveraging plan as communicated in April 2025, aiming to generate proceeds from divestitures well above EUR 500 million. At this moment, the company cannot give any assurances as to the outcome of the discussions and will provide additional information in due course.

About ams OSRAM:

The ams OSRAM Group (SIX: AMS) is a global leader in innovative light and sensor solutions.

With more than 110 years of industry experience, we combine engineering excellence and global manufacturing with a passion for cutting-edge innovation. Our commitment to pushing the boundaries of illumination, visualization, and sensing enable transformative advancements in the automotive, industrial, medical, and consumer industries.

"Sense the power of light" – our success is based on the deep understanding of the potential of light and our distinct portfolio of both emitter and sensor technologies. About 19,700 employees worldwide focus on pioneering innovations alongside the societal megatrends of digitalization, smart living and sustainability. This is reflected in over 13,000 patents granted and applied. Headquartered in Premstaetten/Graz (Austria) with co-headquarters in Munich (Germany), the group achieved EUR 3.4 billion revenues in 2024 and is listed as ams-OSRAM AG on the SIX Swiss Exchange (ISIN: AT0000A3EPA4).
