

## **Curriculum Vitae**

### **Johann Peter Metzler**

Johann Peter Metzler is an Austrian citizen. Member of the Supervisory Board of the OSRAM Licht AG, current term of office until 2027.

He has many years of international experience as an entrepreneur, managing director and supervisory board member in private and listed technology companies. Johann Peter Metzler began his professional career at Siemens AG in Berlin and Munich, holding senior positions in semiconductor development and marketing. From 1992 to 1996, he served as General Manager and Head of Research & Development at Siemens Components Pte Ltd, Singapore.

In 1997, Johann Peter Metzler founded NewLogic Technologies AG in Lustenau (Austria), which he led as Chairman of the Management Board until 2005. This was followed by roles as Chief Strategist at Wipro Ltd, India, and as Founder and Chairman of Photeon Technologies GmbH. From 2010 to 2018, Johann Peter Metzler was a member of the Supervisory Board and the Strategy Committee of Zumtobel Licht AG. Since 2008, he has been working as an independent management consultant.

In addition to his supervisory board mandates in listed companies (see below), he is also a member of comparable supervisory or control bodies at ecoRobotix AG, Switzerland, and Dornbirner Sparkasse Bank AG, Austria.

Johann Peter Metzler studied Mathematics and Physics at the University of Innsbruck. Based on his education and professional background, he has particular expertise in technologies and industries relevant to the OSRAM Group, notably semiconductors, optoelectronics, sensor technology and lighting, as well as extensive experience in the strategic and operational management of technology companies.

Other supervisory board mandates outside the ams OSRAM Group:

Member of the Supervisory Board of Aquin & Cie AG, Munich
