

Thank you for choosing AS7341 Evaluation Board.

For detail in using the Eval Board please refer to the User's Guide included in the documents.

If any technical difficulties are encountered, use the Tech Support page at www.ams.com/Support to submit a technical support request anytime or call ams sales FAE. You may also use www.ams.com to find worldwide local representatives in your area.

Use the AS7341 setup to install all necessary software and driver on your Windows 10 based PC.

Make sure, the following tools are installed on your PC:

1. .net Framework 4.5.2
2. FTDI USB-MPSSE Cable Driver (see directory AS726x FTDI USB-MPSSE Cable Driver)

Please see in our manual for the details how the sensor board must be connected.

All technical document are in the directory 'Documents'.
